

## MCKC Hunting Dog Expo – MCKC Cup

The thirteenth annual Hunting Dog Expo will be held Saturday September 10, 2011. A new event at the 2011 Hunting Dog Expo is the “MCKC Cup”. This inaugural event consists of two series – marks and blind(s) each series – and is limited to 25 owner-handler dog teams. One series will be a Master Hunt test; the second series will be a field trial Qualifying test. Both series will be governed by AKC rules for Field Trials and Hunting Tests. Judging to determine three placements (first through third place) over the course of both series and will be consistent with judging for field trials. The first three places will receive, in addition to plaques, prize money (\$150 for first place; \$100 for second place; \$50 for third place). All entrants will receive a ball cap from Avery Outdoors.

Handlers will be guaranteed to run both series regardless of performance. If a handler/dog team is deemed to have failed the first test they will be allowed to run all remaining tests out of contention. Both series will include a flyer. Ducks and/or pheasants will be used in all tests. This event will be run on the Manitowoc County Kennel Club’s north grounds. The event is rain or shine and planned to be completed in one day. Food and beverages will be available on the main club grounds for a nominal charge.

We would like to welcome you to this first ever event held at the MCKC Hunting Dog Expo. We think this will be a fun event to participate in and is a great value. Come and enjoy the event. Come and enjoy the Expo. We have, in addition to the MCKC Cup, many other sporting dog games, food and beverages, raffles, and silent auctions at the Expo.
